

Job description

Video Production - Intern

About the Role

We're looking for curious, multi-skilled creative interns who can bring fresh ideas to life and help craft compelling stories for some of India's biggest brands. As a part of WRM Digital Studios, you'll collaborate with the creative, production, and post-production teams to conceptualize, write, and visualize content across digital platforms.

Key Requirements -

- A storyteller at heart with strong creative instincts.
- Comfortable juggling multiple ideas and formats in a fast-paced environment.
- Familiarity with pop culture, digital trends, and brand storytelling.
- Eager to learn, experiment, and grow as part of a creative team.

Good to Have (Optional but Preferred)-

- Working knowledge of Premiere Pro, Canva, or PowerPoint and AI Tools..
- Interest in music, film, or advertising content.
- Prior internship experience or a small creative portfolio.

Key Responsibilities -

- Contribute to songwriting and composition for campaigns, jingles, or social reels.
- Assist in scriptwriting for TVCs, DVCs, digital films, and short-form content.
- Conceptualize and shoot quick content pieces
- Help create moodboards or storyboards, including AI-assisted tools.
- Support basic video editing using Adobe Premiere Pro.
- Design and prepare pitch decks.
- Assist in script or concept presentations for client meetings.
- Work closely with creative, production, and post-production teams to support end-to-end content development.
- Participate in brainstorming sessions and contribute fresh ideas aligned with brand objectives.
